Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 12 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A mainly dry day with sunny spells developing..

Today:
A dull start for the northeast but brightening up with sunny spells developing for most areas. There will be a few light showers, chiefly in the east. Light winds.

Tonight:
Remaining quite settled for the evening and overnight, a few showers may skirt with the coasts but generally dry with some clear spells and light winds.

Monday:
A bright, chilly start to the day with plenty of sunshine during the morning. It will become cloudy over central and southern Scotland in the afternoon with a little drizzle.

Outlook for Tuesday to Thursday:
Cloudy at first with some outbreaks of rain on Tuesday becoming showery later. Sunshine with a few showers on Wednesday. Rain and strong winds moving into west later on Thursday.
